

# REFORMED COMITOLOGY

Already 500+ practitioners prepared by ETI - are you?

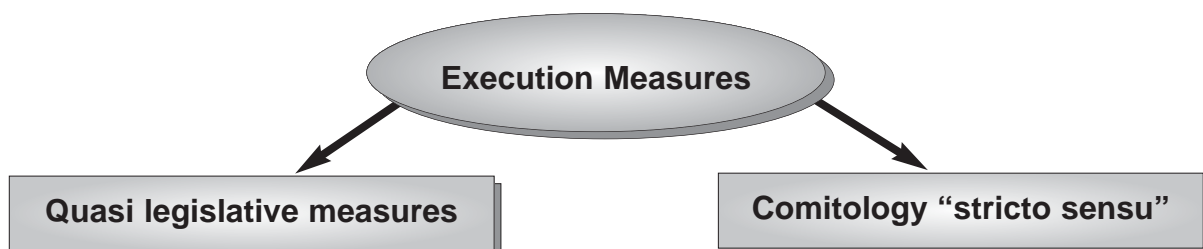

&

**EUROPOLITICS**  
The European affairs daily

**250 Regulations and Directives screened.  
The reformed Comitology is in place.  
Now is time to understand how it works in practice.**

- 1. What is comitology?**
  - A reminder of execution powers and measures
  - Committees and procedures
  - Who is the real decision-maker, and how do you influence him?
- 2. The key features of the Reform**
  - Rebalancing the Parliament's prerogatives with those of the Council
  - The execution powers split into two categories
  - The new regulatory procedure with scrutiny
  - Screening and aligning the "acquis communautaire"
- 3. Practical Consequences of the Reform - How it works in practice. Case Study**
- 4. What impact on lobbying?**
  - Tactical consequences in terms of lobbying campaigns:
    - ▶ More sophisticated monitoring
    - ▶ New actor(s) to lobby
    - ▶ New topics covered by implementation measures
    - ▶ A more sophisticated path for influence
    - ▶ Efficient communication is essential
